

John (James) Mattingly (1843-1925)

John Henry, who is sometimes recorded as James was the third son of Henry and Ann Mattingly, born in 1843 at Calmore, near Eling in Hampshire. The 1851 Census shows him, aged 16 working with his father, who was a Coachman for the Timson Family at Tatchbury Mount. No doubt unable to find work locally he moves to Romsey, about 5 miles away. It is there in January 1869 that he married Annie Maria, aged 24, daughter of George and Sarah Blanchard. They were to have their first child, Elizabeth, the following year. The 1871 Census shows them living at 70 Railway Arch in Romsey. John, now aged 27, is a bricklayers Labourer, no doubt working for the LSWR company, which was being constructed from Andover at that time. Railway Arch, as on the early map for 1871, there is an area of brick field near by which was no doubt used for the considerable quantities of bricks needed for the Railway. Indeed we find that in the next 1881 Census John is described as a Railway Labourer and Annie, his wife as a Laundress. They are to have six children - Elizabeth (born in 1872), Annie (born in 1874), Mary (born in 1876), Frederick (born in 1878), William (born 1881), Charles (born in 1882) and Edith (born in 1887). The next Census in 1891 has the family living at 140 Winchester Road, near where they formally lived. They were to move again further down the Road and in 1901 they moved to number 75. Here they were to remain for the rest of their live. The 1911 Census has John, aged 67, still working as a labourer for the railway, his son, Frederick, aged 33 is working in the nearby Iron Foundry and Charles is a Gardener. Annie is to die shortly afterwards in 1915, aged 70 and John in 1925, aged 82.

James first appears in the 1851 Census, aged 6. His father is a Groom, looking after the horses for the Timson Family at Tatchbury Mount. They are living in a cottage at Calmore nearby.

The 1861 Census for Calmore shows Henry Mattingly, aged 48 remarried to Ann Winkworth, aged 59. He is still living at Calmore in probably the same cottage. He share it with his son, John aged 16, and Richard, aged 14.

1871 Census is listed as Henry John Mattingly, aged 27 born in Calmore married to Annie, aged 25 from Romsey. Their one year old daughter, Elizabeth is also shown in the record.
