Mary was born to Henry and Ann Mattingly in 1841. She appears on the first census and again in 1851. She would have been 8 years old when her mother died in 1849. A child Christened Charles was born and later died in the same year. Mary may well have died herself afterwards as she does not appear again in the next census or any other records. There is a record of a death in Eling in 1853, which we must assume to be hers.
